DELTA ROAD

ABOUT COMPANY

Delta Road Trading & Contracting Company is a leading infrastructural construction firm dedicated to delivering **high-quality, sustainable, and innovative engineering solutions** across Qatar and the wider GCC region. With a strong foundation built on **technical excellence, professionalism, and integrity**, we specialize in the execution of **complex infrastructure projects** that form the backbone of modern communities.

Delta Road is committed to shaping the future of infrastructure with **trust, innovation, and enduring value**, making us a **preferred partner** for large-scale construction and infrastructural development.

Our expertise spans a wide range of services, including:

- Earthworks and land development
- Roads and highways construction
- Utilities (wet and dry services)
- Asphalt paving and rehabilitation
- Drainage networks
- Road marking and safety systems
- Hardscaping & Landscaping
- Manpower & Material Supply & transportation

Our highly qualified team of engineers, project managers, and skilled professionals brings extensive experience from **landmark projects** in Qatar, UAE, Oman, Bahrain, and India. Through advanced technology, a results-driven approach, and client-focused solutions, we ensure that every project is completed **safely, efficiently, and on schedule**.

Our team members have contributed to major landmark projects such as:

- Zonal Framework Contracts
- Qatar Catchment Free Zone Contracts
- Doha International Airport
- Qatar Metro Red and Gold Lines
- Lusail Development Projects
- Qatar University Campus Pipeline Project
- Formula One Circuit – Manama, Bahrain
- Sheikh Khalifa Interchange
- Al Ajban Road Project & Jebel Ali Sewage Treatment Plant – Abu Dhabi, UAE
- Wadi-Adai Road Projects – Oman
- Bilikere Highway Project & Chennai Metro Water Pipeline Project – India

Our professionals have collaborated with leading multinational construction firms, including WCT Malaysia, Gamuda Malaysia, ALSJV JV, ISG JV, Larsen & Toubro WLL, Bramco WLL, and Nagarjuna Construction Company, contributing their expertise across Qatar, Abu Dhabi, Oman, Bahrain, and India.

WELCOME MESSAGE

Welcome to Delta Road Trading & Contracting Company.

Since our inception, our mission has been clear: to deliver **world-class infrastructure solutions** that are **innovative, reliable, and sustainable**. At Delta Road, we believe that every project we undertake is not just about constructing roads or utilities—it is about **building communities, connecting people, and shaping the future**.

Our success is built on **integrity, technical excellence, and a relentless commitment to quality and safety**. With a team of dedicated engineers, project managers, and skilled professionals, we have executed landmark projects across Qatar and the region, consistently exceeding client expectations.

We are proud to hold **ISO 9001, ISO 14001, ISO 45001 certifications**, along with **ICV recognition**, and we continue to pursue **Ashghal certification** to further strengthen our capabilities. These certifications reflect our dedication to **global standards, sustainable practices, and local economic development**.

As the founder, I personally ensure that our company remains **client-focused, forward-thinking, and committed to innovation**. We aim not only to deliver infrastructure but also to create **lasting value for the communities and clients we serve**.

Thank you for considering Delta Road as your trusted partner in infrastructure development. Together, we can **build a better tomorrow**.

Founder & CEO
Delta Road Trading & Contracting Company

**b. VISION, MISSION &
COMPANY POLICIES**

OUR VISION

To be the leading force in sustainable infrastructural development across Qatar and the GCC — redefining excellence through trusted, high-quality, and innovative construction solutions that stand the test of time.

“Building Quality. Inspiring Progress.”

OUR MISSION

- ✎ To excel in the execution of infrastructural construction works that meet the highest standards of quality, safety, and sustainability.
- ✎ To supply superior construction materials and reliable delivery services that support the region's growing development needs.
- ✎ To ensure excellence in project supervision and workmanship through continuous recruitment, training, and technological advancement.
- ✎ To cultivate a corporate culture that promotes safety, respect, teamwork, and professional growth for all employees.
- ✎ To deliver every project on schedule and within budget through efficient planning and disciplined execution.
- ✎ To optimize the utilization of resources, enhancing productivity and maximizing value for clients and stakeholders.
- ✎ To pursue business opportunities that leverage our multi-disciplinary expertise and strengthen our market leadership.

QUALITY POLICY

At DELTA ROAD TRADING & CONTRACTING CO. W.L.L., we are committed to achieving and sustaining excellence in the construction industry. Our goal is to deliver superior quality services that meet and exceed our clients' expectations — on time, within budget, and in full compliance with international standards.

We strive to continuously enhance our performance, efficiency, and reliability through the effective implementation and continual improvement of our Quality Management System (QMS).

Our key objectives are to:

- ✅ Ensure customer satisfaction by delivering high-quality, value-driven solutions.
- 👤 Empower and motivate employees through training, teamwork, and a culture of accountability.
- 🌍 Pursue sustainable growth with a vision to become a leading global engineering and construction company.
- 📏 Adhere to international standards and contractual requirements in all our operations.
- 🔄 Continuously improve operational procedures to enhance safety, quality, and efficiency.
- 📈 Stay ahead of industry developments by monitoring regulatory changes and adopting best practices.
- 💡 Promote innovation and cost-effectiveness to deliver added value to our clients and stakeholders.

Our unwavering commitment to quality, safety, and integrity defines who we are and drives everything we do. Our goal is to build lasting value and trust with our clients, stakeholders, and the communities we serve.

ENVIRONMENT, HEALTH, SAFETY POLICY

DELTA ROAD TRADING & CONTRACTING CO. W.L.L. (DRC), we are committed to protecting the health and safety of our employees, clients, and the public, while preserving the environment in all our operations.

We ensure that every project is carried out safely, responsibly, and in full compliance with applicable laws and international standards.

Our key principles are:

- **Safety First:** Prevent accidents and injuries through proactive risk assessment and safe work practices.
- **Legal Compliance:** Follow all HSE laws, regulations, and client requirements.
- **Environmental Protection:** Reduce pollution, manage waste responsibly, and conserve natural resources.
- **Sustainable Operations:** Minimize emissions and protect ecosystems wherever we work.
- **Responsible Handling:** Use and store hazardous materials safely to avoid any harm to people or the environment.
- **Open Communication:** Keep employees and stakeholders informed about HSE issues and encourage active participation.
- **Continuous Improvement:** Investigate incidents, learn from experience, and continually improve our HSE performance.

DELTA ROAD believes that good safety, health, and environmental practices are essential to our success and to building a sustainable future for all

OUR

SERVICE PORTFOLIO

At Delta Road, we deliver comprehensive infrastructure and construction solutions with a commitment to quality, safety, and sustainability. Our diverse expertise enables us to handle projects of any scale — from initial groundwork to final finishing — with precision and reliability.

Earthworks

- Excavation, embankment filling, and backfilling works.
- Site grading, leveling, and subgrade preparation for roads, utilities, and other infrastructure projects.
- Soil stabilization and compaction services to ensure long-lasting structural integrity

Infrastructure Utilities

- Construction, installation, and maintenance of wet utilities (water supply, drainage, sewerage) and dry utilities (electrical, telecom, and data networks).
- Fabrication and installation of chambers, manholes, ducts, gullies, pits, and associated underground structures.
- Utility network rehabilitation, replacement, and integration for urban and industrial developments.

Road Works

- Sub-base and road base preparation with high-quality materials for durability.
- Asphalt paving, resurfacing, including RAP & PMB and milling works for highways, urban roads, and parking areas
- Pavement repairs, strengthening, and overlay services to extend the life of roads.
- Temporary Road Diversion works
- Milling & Asphalt Phase 1 & Phase 2 Reinstatement Works

Road Safety Services

- Design and implementation of speed control measures, including speed humps, speed tables, and traffic calming solutions.
- Traffic Diversion implementation, Traffic Management execution for safe vehicular movement during construction activities.
- Road marking, Epoxy flooring and surface marking, and installation of reflective studs, rumble strips etc.,
- Supply and installation of Street Lights, safety barricades, guardrails, traffic signs, and pedestrian safety fixtures.
- Supply & Installation Guard rail, crash barriers, acoustic / noise barrier, Visual barriers etc.,

Infrastructural Road Maintenance Services

- Leak detection and repair of ductile iron (DI), high-density polyethylene (HDPE), and glass-reinforced plastic (GRP) pipelines.
- House connection installation, maintenance, and rehabilitation.
- Concrete Coring, Earth boring, GRP lamination, and HDPE welding for pipeline and Civil works.
- Road maintenance, including Asphalt patching, resurfacing, and minor civil repairs.

Earth Boring & Coring Activities

- Earth hole drilling for a variety of civil and infrastructure works.
- Horizontal and vertical coring for precise concrete and structural modifications.
- Reinforced concrete solutions for specialized civil applications.

Fabrication & Precast works

- Structural steel fabrication for road infrastructure, including signboards, solar panel frames, vent pipes, and RTU panel structures, with hot-dip galvanization for enhanced durability.
- Fabrication and installation of gates, including boundary, utility, and access gates.
- Fabrication and installation of all types of fencing for roads, utilities, and industrial facilities.
- Precast concrete foundations for street lights, traffic signages, ducts, catchpits, and other civil structures in various sizes.
- Precast concrete bollards, including finishing and painting, for traffic control, safety, and decorative purposes

Kerb, Paver & Land Scaping Installation

- Kerb stone laying, interlock paving, concrete Paver and pedestrian pathway construction.
- Green landscaping, turfing, planting, and irrigation system installation.
- Development of aesthetically pleasing and functional outdoor spaces for urban and industrial projects.

Manpower Supply

- Provision of skilled and unskilled workforce for civil, infrastructural, and construction projects.
- Trained personnel for site supervision, technical works, and labor-intensive tasks.

Equipment Supply

- Supply of modern, reliable construction machinery and equipment for road works, earthworks, and utility projects.
- Equipment rental and operation services to support large-scale infrastructure projects efficiently.

Trading Services

- Trading of industrial products relevant to civil and infrastructure works.

EARTHWORKS

DRC is committed to delivering high-quality services and reliable solutions while staying at the forefront of technical innovation. We have the capability to handle mass excavation and embankment filling of any scale and complete all types of earthwork projects, including excavation, embankment filling, trench backfilling, grading and leveling, formation, and sub-grade preparation, within stipulated timeframes and to benchmark standards.

Our team is equipped with the expertise and know-how to execute diverse earthwork operations efficiently, safely, and with consistent quality

INFRA UTILITIES

DRC performs comprehensive infrastructural utility works with a highly skilled team. Our crew consists of experienced pipe fitters guided by charge hands and supervised by professional site engineers, supported by surveyors equipped with advanced instruments and technology.

DRC is fully equipped to execute a wide range of infrastructural utility works, including:

Wet Utilities:

- Stormwater, foul sewer, potable water, irrigation networks, treated sewage effluent (TSE)
- Pipes of various types and sizes (GRP, RCC, HDPE, DI, UPVC, etc.)

Dry Utilities:

- Low, medium, and high-voltage networks (LV, MV, HV)
- Telecom, SSD, street lighting ducts, ITS, QAF, Ooredoo, road crossing ducts, and related systems

Civil & Structural Works:

- Construction of chambers, manholes, gullies, catch pits, soakaway pits, infiltration trenches, and Geocet tanks
- Concrete coring and drilling

With expertise, advanced equipment, and disciplined project management, DRC ensures all utility works are completed efficiently, safely, and to the highest standards.

ROAD WORKS

Delta Road specializes in all types of road works, from initial site preparation and formation to sub-base, road base, asphalt laying, and asphalt milling. With in-house expertise in asphalt operations, we maintain a highly experienced team of professionals and skilled workforce to deliver excellence in every project.

The Delta team has successfully executed numerous prestigious projects to renovate, restructure, and rebuild the nation's roads. We complete projects efficiently and smoothly, prioritizing schedules while upholding the highest standards of quality, safety, and durability.

KERB, PAVER, LAND SCAPING

Delta Road offers the supply, laying, and installation of a wide range of kerb stones, interlock and concrete paver installation works, and landscaping works.

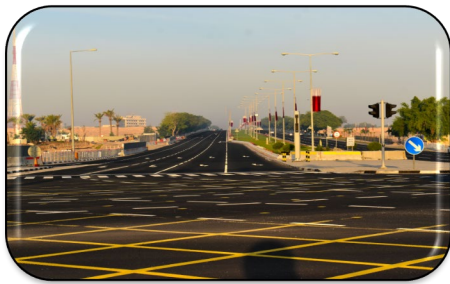

Regardless of project size, we are committed to delivering high-quality services across Qatar, ensuring precision, durability, and aesthetic excellence in every project.

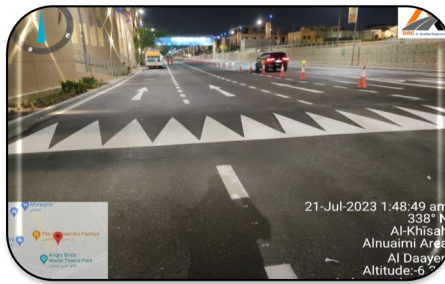

ROAD SAFETY SERVICES

Delta Road plays a key role in ensuring public and traffic safety on highways, roads, and parking areas. We specialize in designing and implementing clear signage for potential hazards to guide road users effectively.

Our expertise includes road diversion works, traffic management, road marking, epoxy application, street lighting, and traffic signal installation. We offer advanced thermoplastic road marking and traffic sign services, delivered by a skilled and innovative team using the latest technology. All our solutions are tailored to client requirements while adhering to industry standards and modern best practices.

Infrastructural Road Maintenance Services

Delta Road provides comprehensive pipeline and civil maintenance solutions for water, sewage, and road infrastructure projects. Our services are designed to ensure operational efficiency, safety, and long-term durability of pipelines and civil assets.

PRECAST & FABRICATION WORKS

We specialize in delivering high-quality Precast and Fabrication solutions that support diverse civil and infrastructure projects. Our services are designed to ensure precision, durability, and timely execution to meet project-specific requirements.

EARTH BORING & CORING ACTIVITIES

Delta Road has extensive expertise in a wide range of infrastructural activities, including civil works such as foundation casting, trenching and duct installation, solar and RTU panel installations, boring, coring, and bollard installation. Our skilled team ensures all projects are executed efficiently, safely, and to the highest quality standards.

MANPOWER SUPPLY

Delta Road is a leading provider of manpower resources, offering a strong capability to supply workers across all categories. Our workforce is highly sought after by leading companies due to our commitment to quality, reliability, and efficiency:

- All personnel are well-trained and skilled.
- Immediate replacement is provided in case of any issues or conflicts.
- Workforce numbers are supplied flexibly to meet the specific needs of your project.

MACHINERY SUPPLY

Delta Road provides a wide range of construction equipment and vehicles from top international brands. Our fleet includes trucks, excavators, bulldozers, loaders, rollers, cranes, forklifts, buses, and more.

We offer equipment for hire with or without operators, ensuring safety, reliability, and quality for all projects across Qatar.

TRADING & TRANSPORTATION

Delta Road supplies and transports construction materials to project sites, including sub-base, aggregates, road base, backfilling materials, gabbro, bitumen, sand, and more.

g. STRENGTH & RESOURCES
(Manpower & Machinery)

OUR STRENGTH

ORGANISATION CHART

RESOURCE

DELTA ROAD has an excellent team of employees across various categories. The human resources have been personally sourced and handpicked by the Managing Directors from their previous assignments across the Middle East.

Our team members have contributed to some of the most prestigious and large-scale projects in the region, including Zonal Framework contracts, Catchment

Zone Framework contracts, Qatar Rail Metro Projects, Lusail Development Projects, Doha International Airport Project, East Corridor Project, Dry Utilities Works at Qatar University Campus, Formula One Grand Prix Circuit, Sheikh Khalifa Interchange, Al Ajban Road Project, Jebel Ali Sewerage Treatment Plant (UAE), and the Durrat Al Bahrain Highway Project (Bahrain), among others.

From the Director to the Foreman, every member of DELTA ROAD is a dedicated professional, bringing extensive experience, technical expertise, and a strong commitment to quality and performance

Delta Fleet

DELTA ROAD TRADING takes pride in maintaining a comprehensive fleet of modern equipment and vehicles, supported by a highly experienced maintenance and operations team. Our machinery lineup features internationally renowned brands such as CAT, Komatsu, Fuso, Mitsubishi, and Hino, ensuring reliability, efficiency, and top-tier performance in every project we undertake.

We consistently engage **qualified operators and certified mechanics** who bring extensive industry expertise to our operations. Their technical proficiency, combined with our proactive maintenance approach, ensures **minimal downtime, maximum productivity, and uncompromised safety standards** across all project sites.

List of Equipment's

Serial	Vehicle Details	Serial	Vehicle Details
1.	 MOTOR GRADER – 14G	21.	 SEWAGE TANK
2.	 WHEEL LOADERS CAT 966	22.	 MOBILE CRANE 7,10,25 & 50 TONS
3.	 BULL DOZER D6 –CAT	23.	 PLATE COMPACTOR
4.	 BULL DOZER D155A	24.	 FORK LIFT
5.	 CRANE – 35 TONNE	25.	 FLAB BED
6.	 TRAILERS & TRACTORS	26.	 LOWBED
7.	 EXCAVATOR – 20 T	27.	 BUS
8.	 MILLING MACHINE	28.	 TRUCK 10 TON
9.	 ASPHALT PAVER	29.	 TRUCK 5 TON
10.	 TANDEM ROLLERS	30.	 3 TON DOUBLE CABIN CANTER
11.	 PNEUMATIC TYRED ROLLERS	31.	 DOUBLE CABIN SITE PICK UP
12.	 BITUMEN SPRAY TANKER	32.	 POWER TOOLS HILTY, GRINDER ET.
13.	 EXCAVATOR – 3 TON	33.	 CORING MACHINE
14.	 EXCAVATOR – 6 TON	34.	 GENERATORS
15.	 EXCAVATOR – 20 TON	35.	 BORING MACHINE
16.	 ROLLER – 10 TON	36.	 TRUCK MOUNTED ATTENATOR (TMA)
17.	 ROLLER – 5 TON	37.	 VEHICLE MOUNTED SIGNAGE (VMS)
18.	 ROLLER – 3 TON	38.	
19.	 ROLLER – 1 TON	39.	
20.	 WATER TANKER	40.

61	UPVC Pipe Leak rectification works at Wukair & Al Saad	GRP House connection rectification works including Interlock & Asphalt reinstatement works	Al Saad, Wakra	TDGISERV	Ashghal

i. PREVIOUS EXPERIENCE

ZONAL FRAME WORK CONTRACT _ZF 151

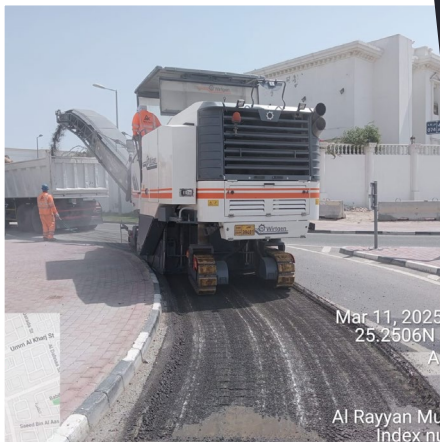

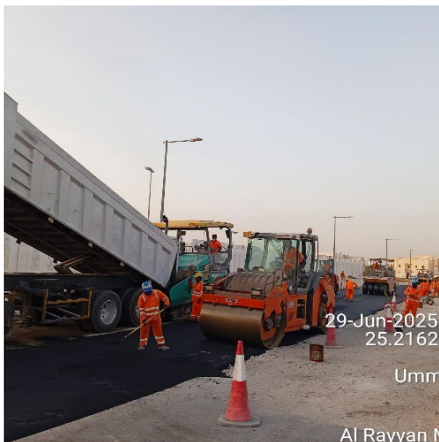

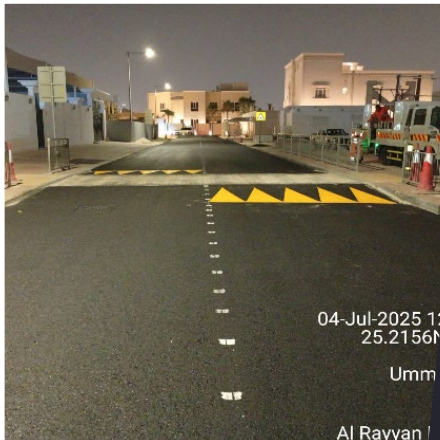

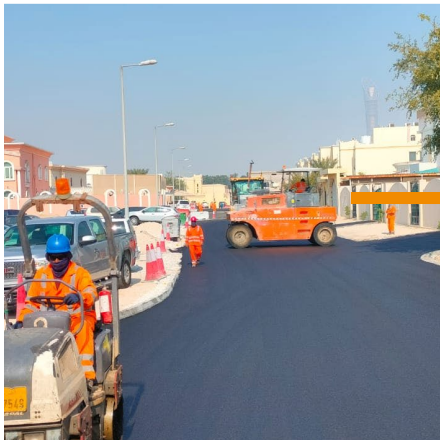

Project : Zonal Framework Contract for Road Maintenance - Qatar South Area 2.

Client : Ashghal

Main Contractor : Trags

Location : Abu Hamour, Aziziya, Ain Khalid

Scope : Execution of Milling, Road Base and Asphalt Laying Works,
Manhole rectification including Kerb and Interlock Installation

ZONAL FRAME WORK CONTRACT _ZF 150

Project : Zonal Framework Contract for Road Maintenance - Qatar South Area 1.
Client : Ashghal
Main Contractor : Trags
Location : Industrial Area, Ain Khalid, Myder

ZONAL FRAME WORK CONTRACT _ZF 083

Project : Road Safety Retrofit Programme Stage 4B -
Client : Ashghal
Main Contractor : Trags
Location : Industrial Area, Ain Khalid, Myder

ZONAL FRAME WORK CONTRACT – ZF 104

Project : Refurbishment & Repair Work for Strategic Location in Qatar - Phase 3 (North)

Client : Ashghal

Main Contractor : Trags

Location : Madinat Khalifa, Al Khor, Thuamama, Gharaffa

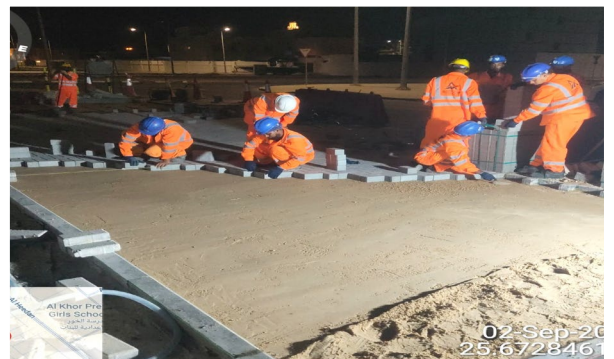

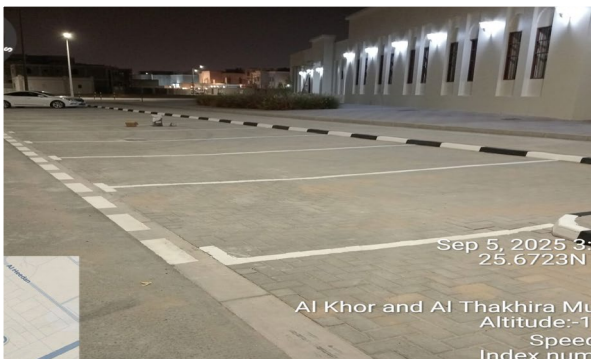

ZONAL FRAME WORK CONTRACT – ZF 141

Project : R/M Refurbishment, Reinstatement and Repair Works for Strategic.

Client : Ashghal

Main Contractor : Trags

Location : Azizya, Al Khor, Ain Khalid

ZONAL FRAME WORK CONTRACT – ZF 140

Project : Speed Humps Repair & Reinstatement
Client : Ashghal
Main Contractor : Trags
Location : Different locations in Qatar

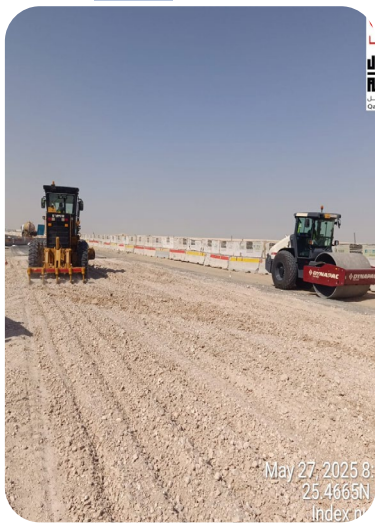

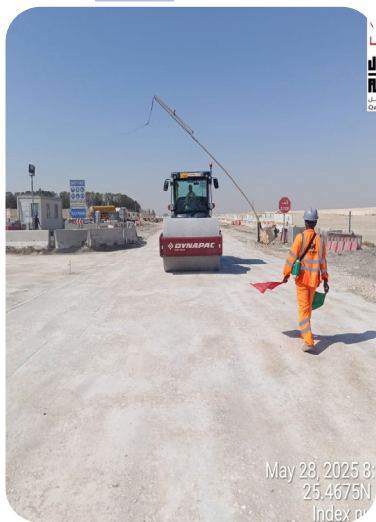

QATAR SOUTH CATCHMENT ZONE

Project : Civil Works Related To Tanker Road Reinstatement And Improvement

Client : Ashghal

Main Contractor : Veolia Water

Location : DOHA NORTH SEWERAGE TREATMENT PLANT – SHAHANIA

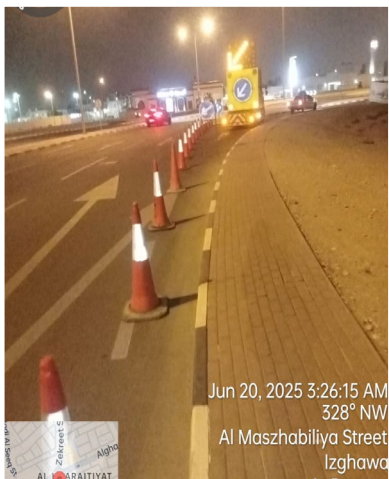

QATAR SOUTH CATCHMENT ZONE

Project : Engineering, Supply, Installation, Testing And Handing Over Of Civil Works
Related To RTU & Solar Panel Installation

Client : Ashghal

Main Contractor : Veolia Water

Location : Across Qatar

QATAR NORTH CATCHMENT ZONE

Project : The Removal And Reinstatement Of Interlocks, Asphalt And Associated Miscellaneous Works

Client : Ashghal

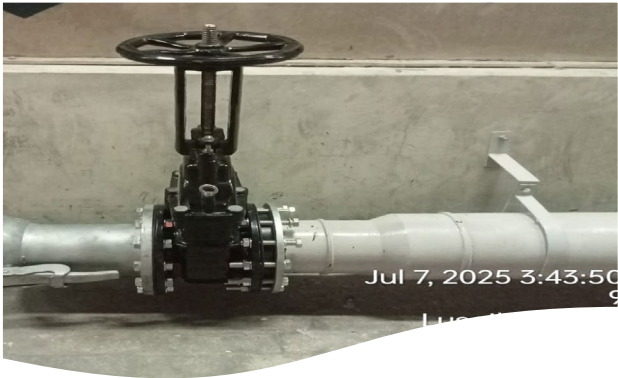

Main Contractor : Veolia Water

Location : Doha North Sewerage Treatment Plant

QATAR NORTH CATCHMENT ZONE

Project : Underpass Resilience work
Client : Ashghal
Main Contractor : Veolia Water
Location : Lusail Expressway

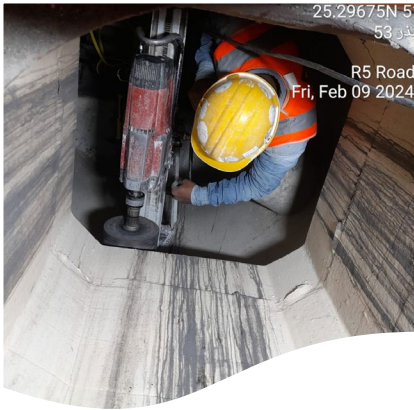

QATAR NORTH CATCHMENT ZONE

Project : Drainage Works and Associated Civil Scope
Client : Ashghal
Main Contractor : Veolia Water
Location : Gharaffa, Rayyan etc.,

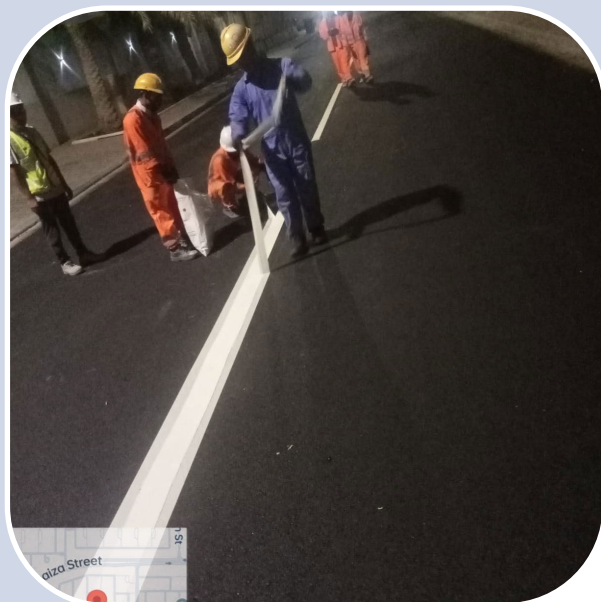

QATAR NORTH CATCHMENT ZONE

Project : Road Crossing Duct Works and Associated Civil Scope
Client : Ashghal
Main Contractor : Veolia Water
Location : Rayyan

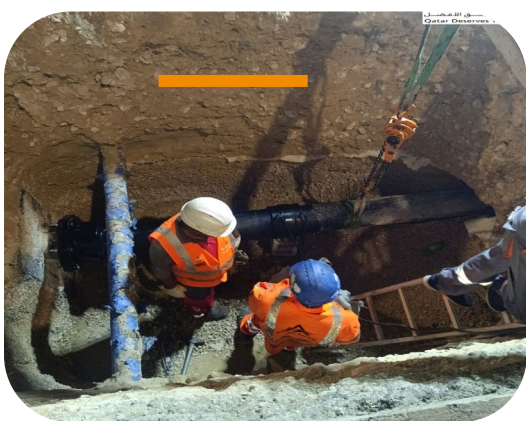

QATAR NORTH CATCHMENT ZONE

Project : Phase 2- Milling & Asphalt Reinstatement Works_NBAU_FS
Client : Ashghal
Main Contractor : Veolia Water
Location : Bin Omran, Onaiza, Gharaffa, Rayyan etc.,

QATAR NORTH CATCHMENT ZONE

Scope : GRP, UPVC, HDPE Leak Rectifications
Client : Ashghal Main Contractor : Veolia Water
Location : Shamal, Al Khor, Rawdat Al Hamama, Gharaffa, Rayyan etc.,

QATAR NORTH CATCHMENT ZONE

Project : Road Marking, Speed Humps, Street Light, Signage Installations works
Client : Ashghal
Main Contractor : Veolia Water
Location : Operating throughout Qatar

QATAR NORTH CATCHMENT ZONE

Project : Vent Pipe, Soakaway, Catchpits, Linear Channel Gratings & Demolition works
Client : Ashghal
Main Contractor : Veolia Water
Location : Operating throughout Qatar

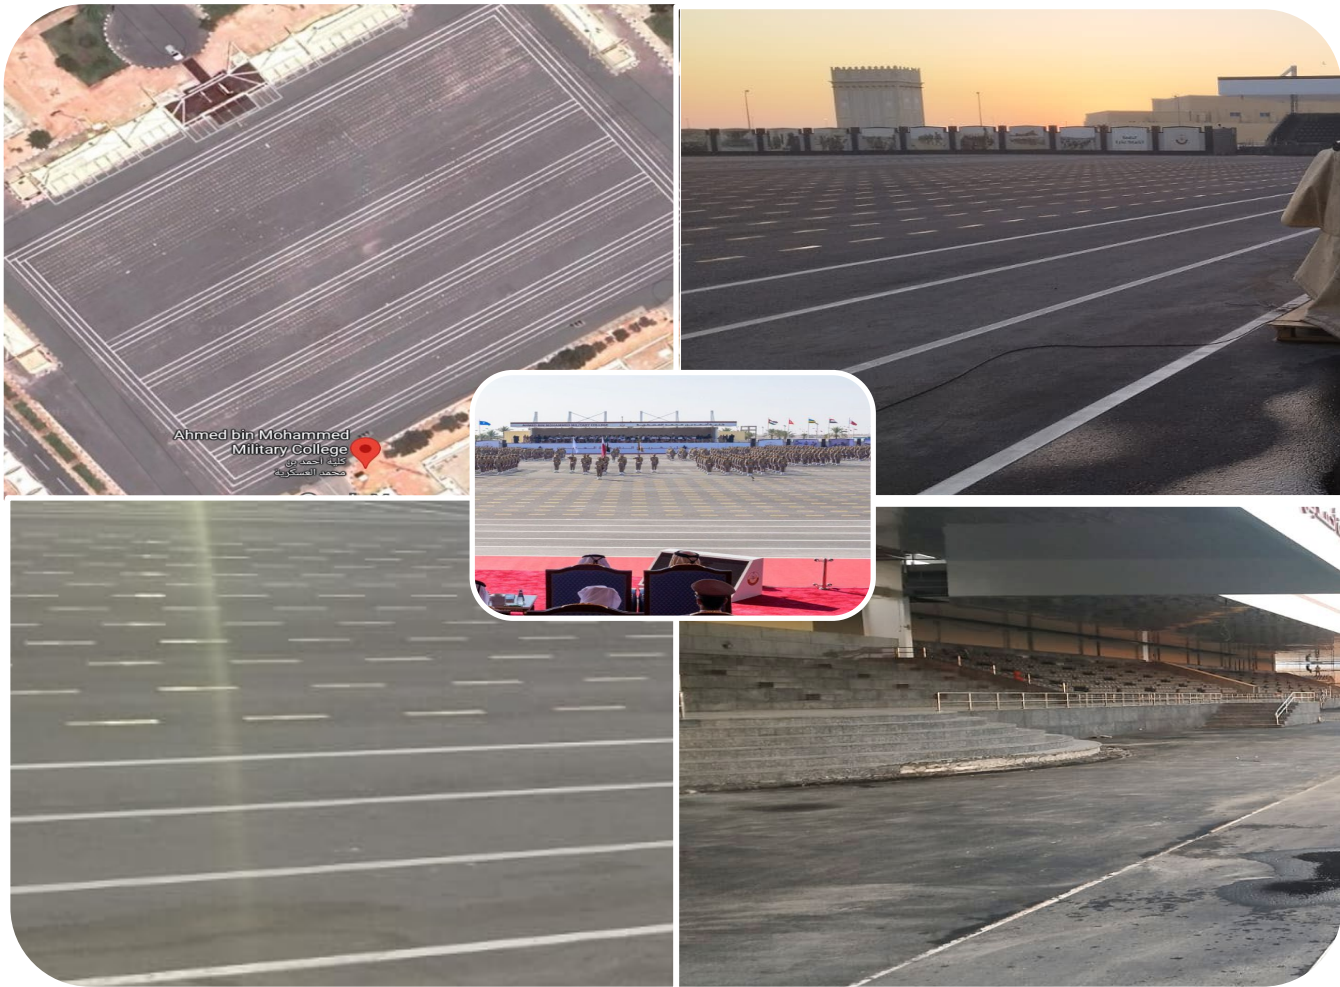

QATAR NORTH CATCHMENT ZONE

Project : Safety Barricading, TDP Implementation
Client : Ashghal
Main Contractor : Veolia Water
Location : Operating throughout Qatar

ABM Military Camp – Asphalt Works

Scope	: Asphalt Reinstatement & Road Marking at Parade Ground & its Surroundings
Client	: Qatar Armed Forces
Main Contractor	: Décor Innovators
Location	: Shahania

Navel Academy – Asphalt Works

Scope : Asphalt Reinstatement & Road Marking at Parade Ground & its Surroundings

Client : Qatar Armed Forces

Main Contractor : Décor Innovators

Location : Ruwais

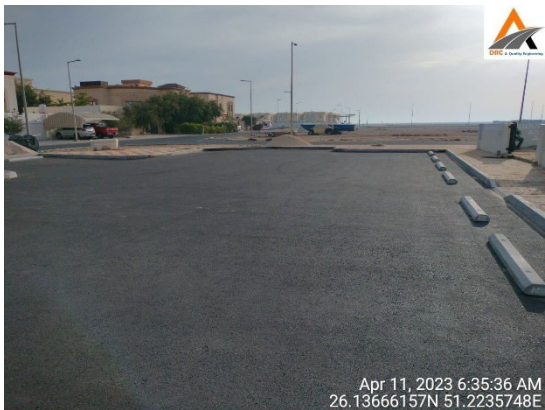

EID PRAYER YARD – Asphalt Works

Scope : Asphalt, Interlock & Road Marking at EID PRAYER YARD

Client : Awqaf

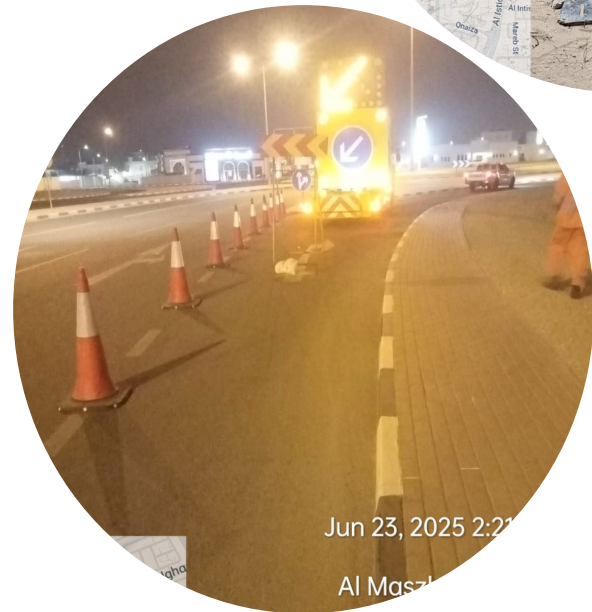

Main Contractor : Technofab Trading & Contracting WLL

Location : Ruwais

QNCZ – Flood Management

Scope : Supply & Installation of Solar & RTU Panel & Related Civil works
Client : ASHGHAL
Main Contractor : Gulf Automation WLL
Location : Throughout Locations of North Qatar

Construction of Eid Mosque Yard at Ruwais – Asphalt Works

Scope : Subgrade, Subbase, Asphalt, & Road Marking at EID PRAYER YARD

Client : Awqaf

Main Contractor : Technofab Trading & Contracting WLL

Location : Different Locations of Ruwais

Ruwais

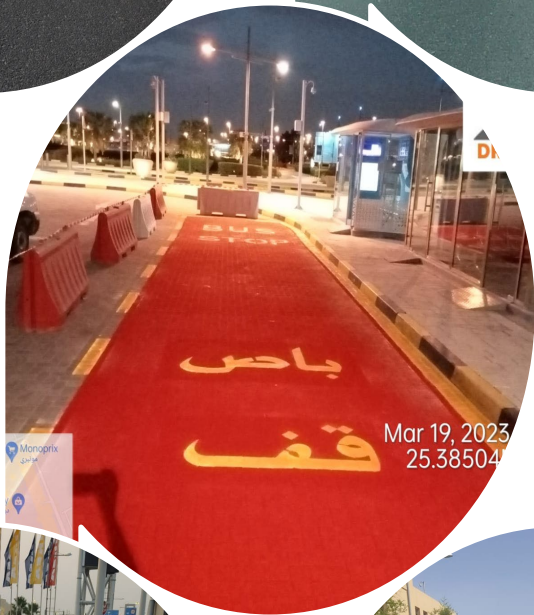

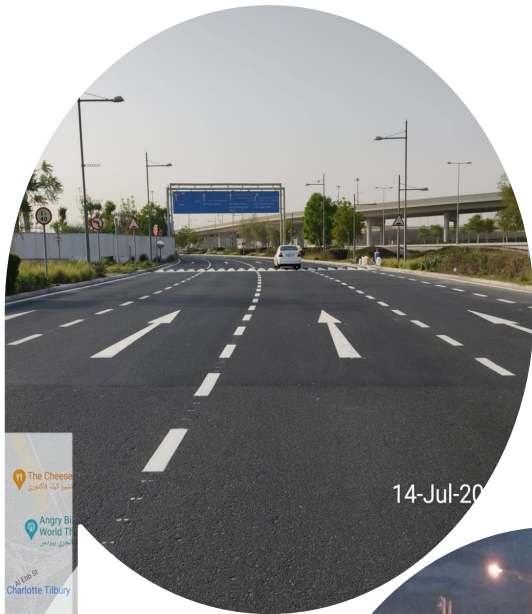

Construction of Office Building at Um Salal

Scope : Epoxy Flooring, Road marking Works
Client : Awqaf
Main Contractor : Technofab Trading & Contracting WLL
Location : Umm Salal Ali
Ruwais

DOHA FESTIVAL CITY

Project : TDP Implementation, Signage & Thermoplastic Road Marking works
Client : Al Futtaim
Location : Umm Salal

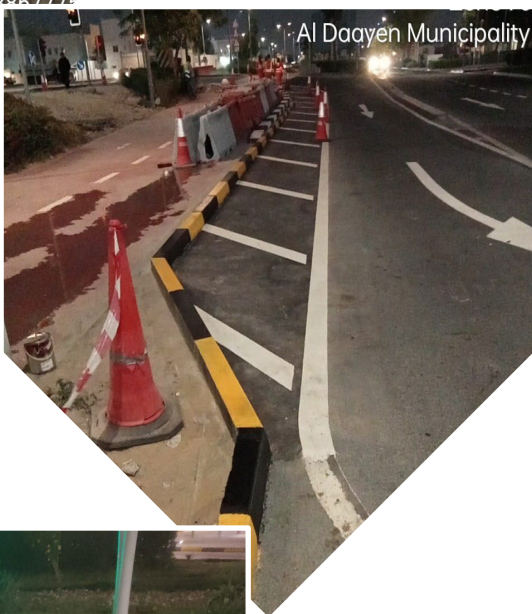

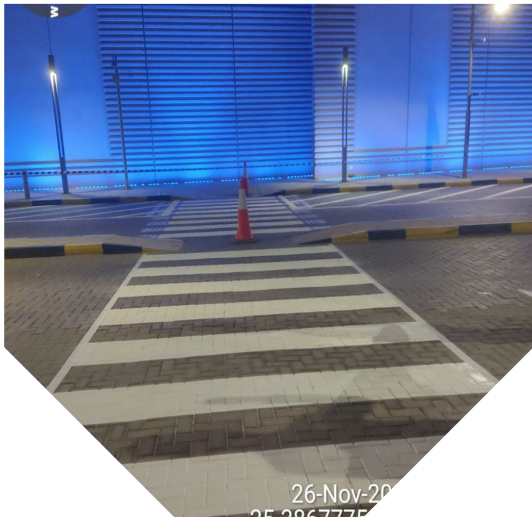

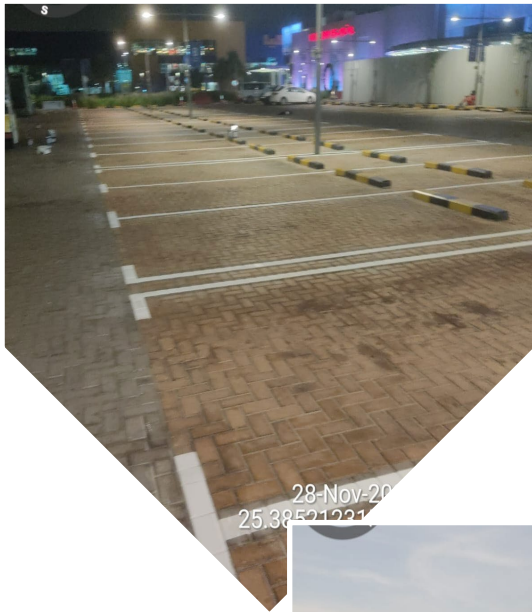

DOHA FESTIVAL CITY

Project : TDP Implementation & Cold Paint Marking works in Car parking Area

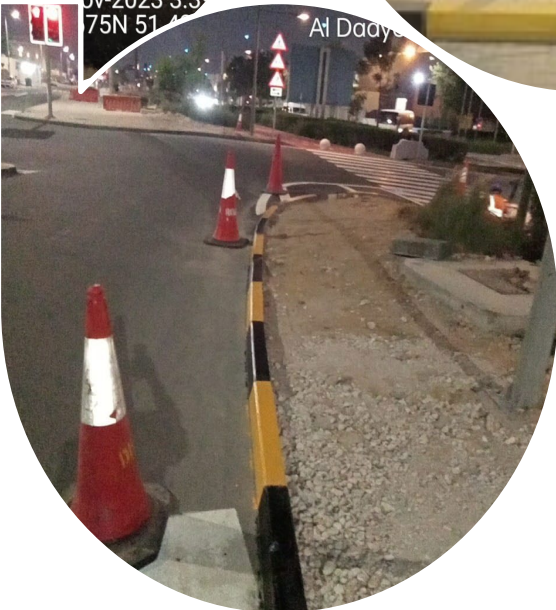

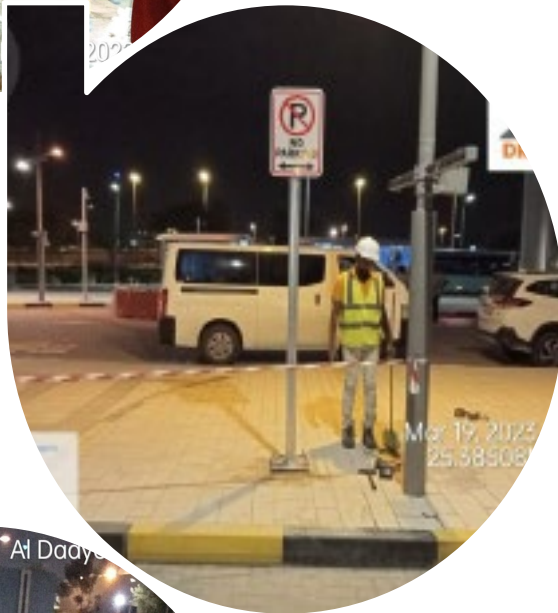

Client : Al Futtaim

Location : Umm Salal

DOHA FESTIVAL CITY – U TURN Road Modification

Project : TDP Implementation, Street Light & Asphalt works
Client : Al Futtaim
Location : Umm Salal

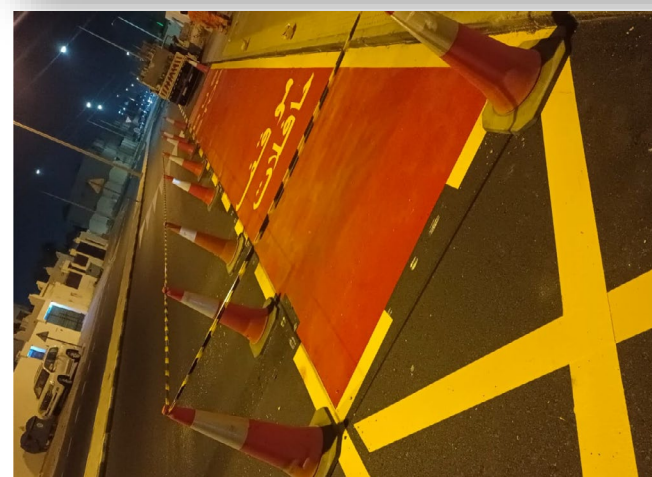

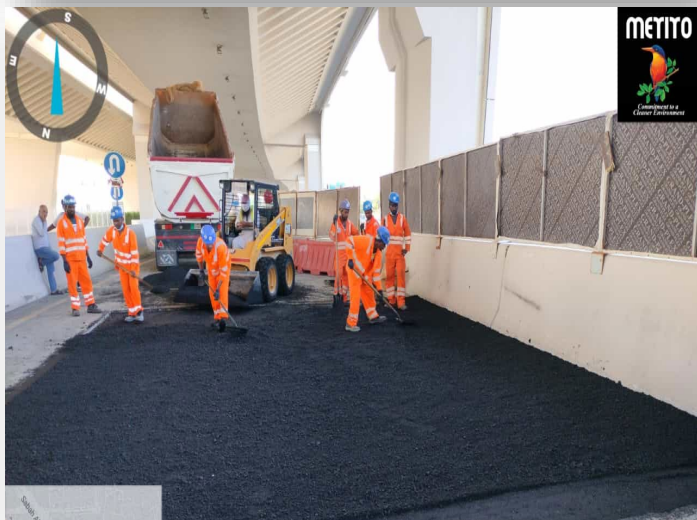

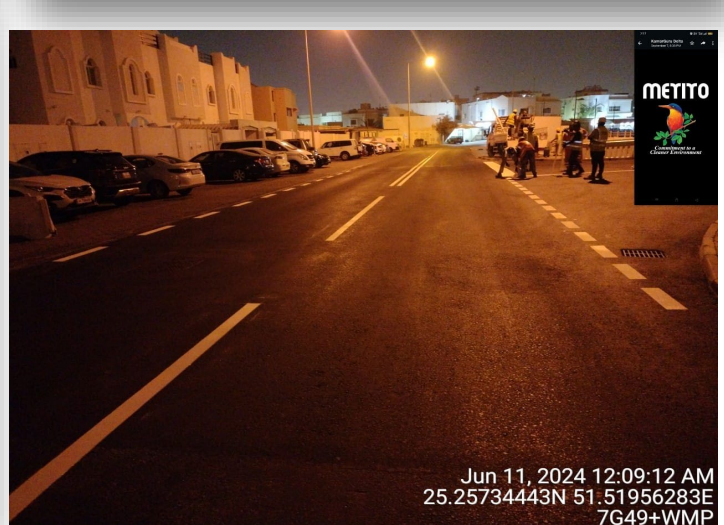

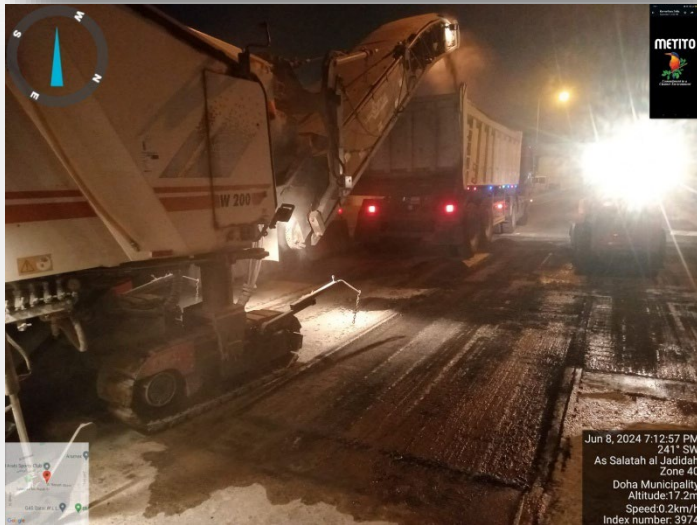

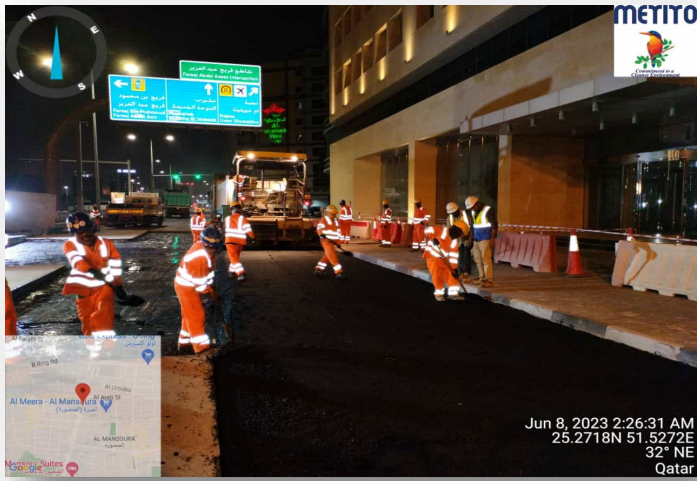

QATAR SOUTH CATCHMENT ZONE

Scope : GRP, HDPE Leak Rectification, Asphalt Reinstatement & Road Marking
Construction of Chambers, House connections & Various Civil Works

Client : Ashghal

Main Contractor : Metito Overseas WLL

Road Marking Removal

Road Marking Works

Signages Instalaltion

Aluminium Cover instalaltion

Chamber Construction

Fence Installation

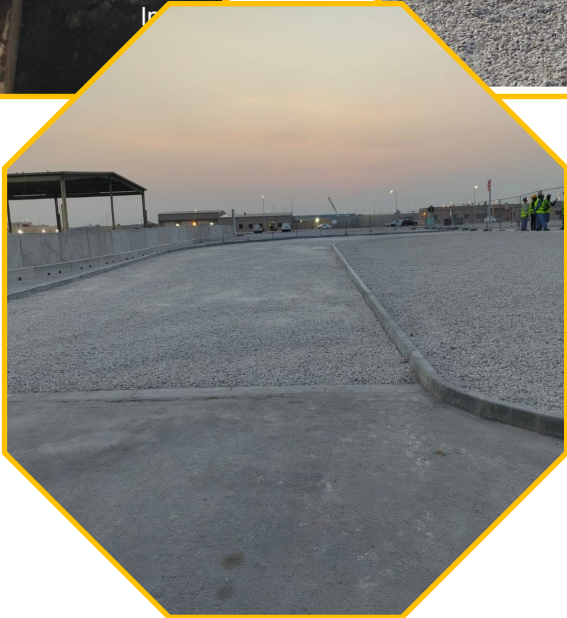

Concrete slabs &

GRP Lamination

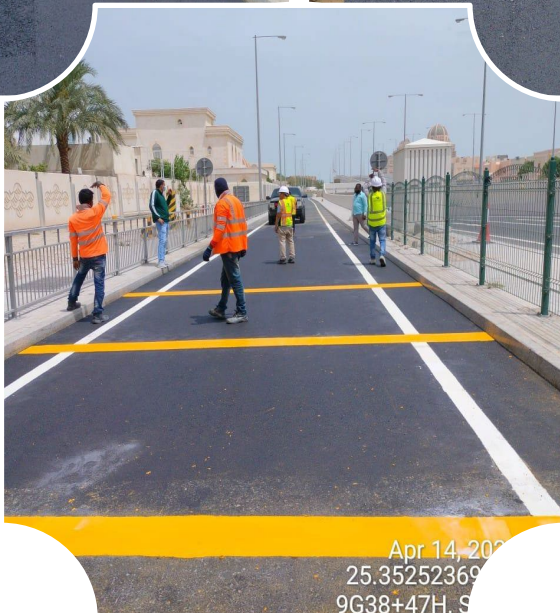

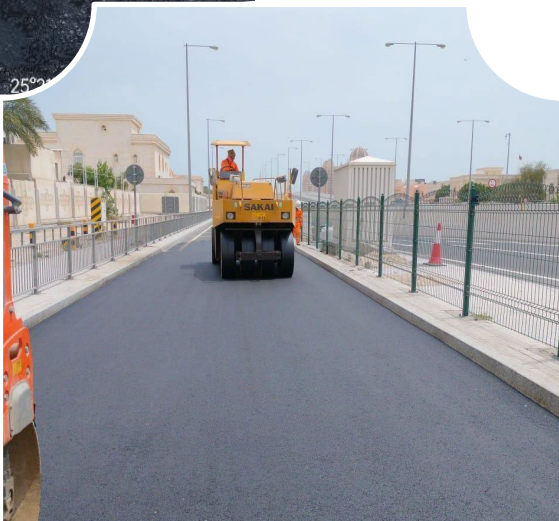

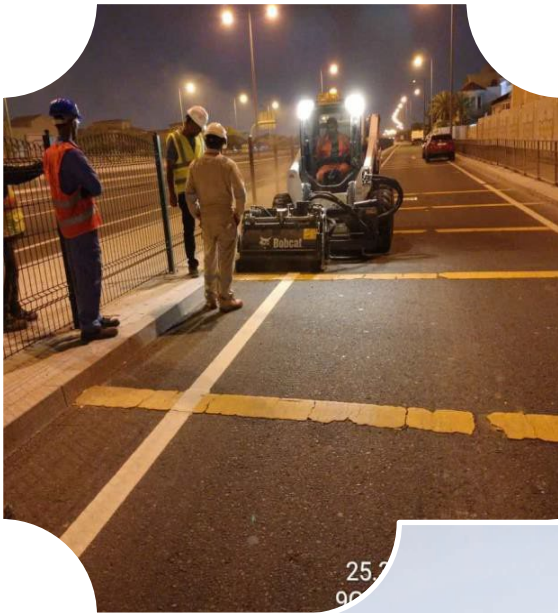

SAYLIYAH MILITARY CAMP – ROAD WORKS

Project : Construction of Gravel Road
Client : Qatar Armed Forces
Location : Sayliyah

Phase 2 Asphalt Reinstatement Works

Scope : Milling, Disposal, Tack coat application, Asphalt Laying & Road Marking
Client : Ashghal
Main Contractor : Hyndai Engineering / Hovergulf Contracting
Location : Onaiza

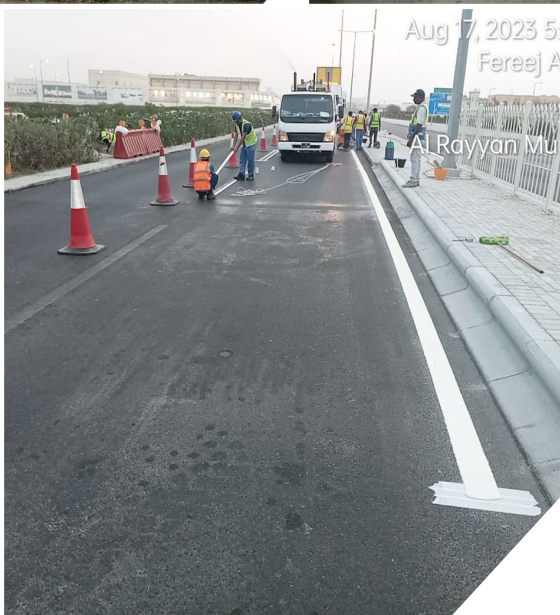

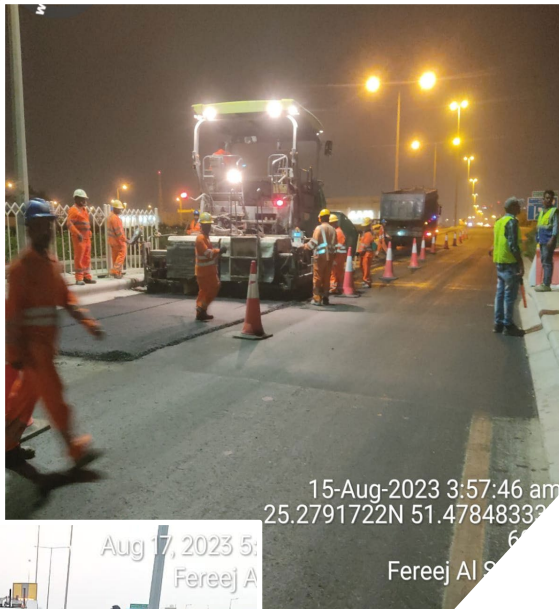

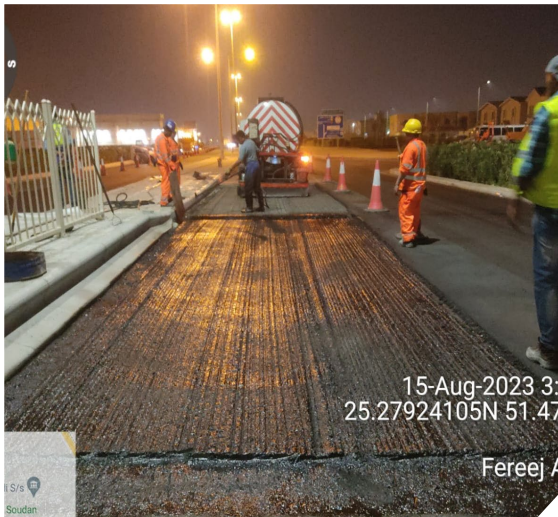

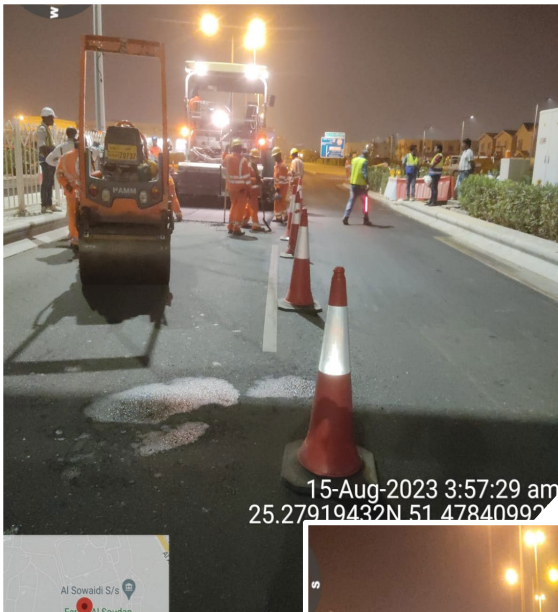

Phase 2 Asphalt Reinstatement Works

Scope : Milling, Disposal, Tack coat application, Asphalt Laying & Road Marking

Client : Ashghal

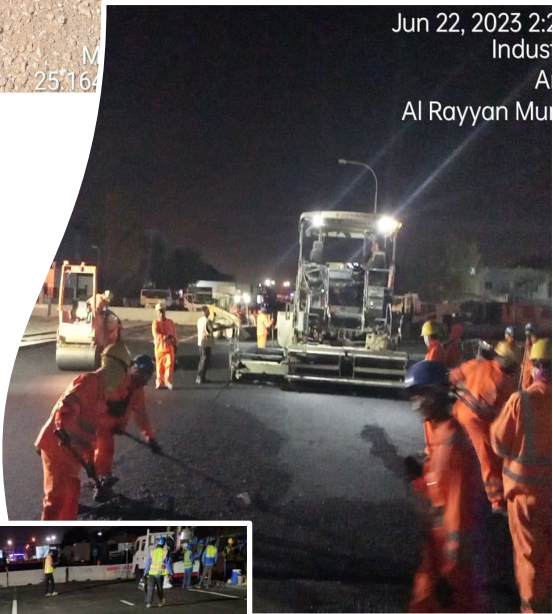

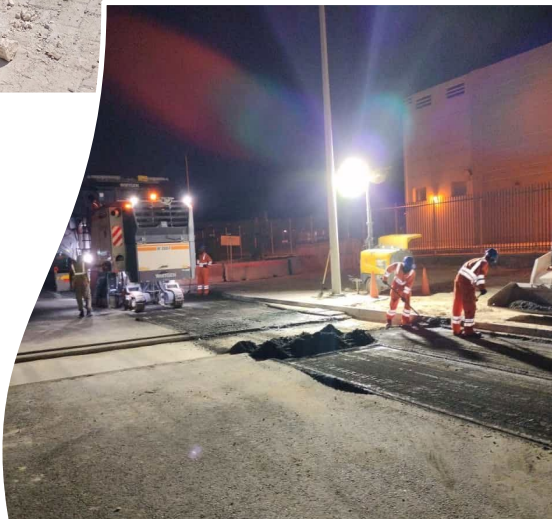

Main Contractor : Boom Construction General Contracting WLL

Location : Al Rasheeda

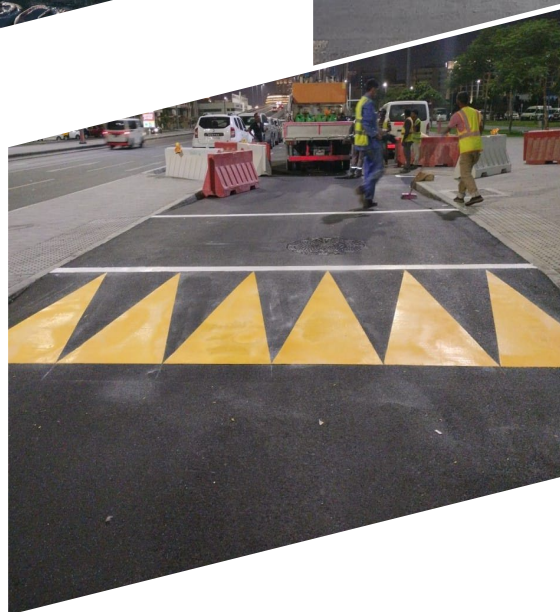

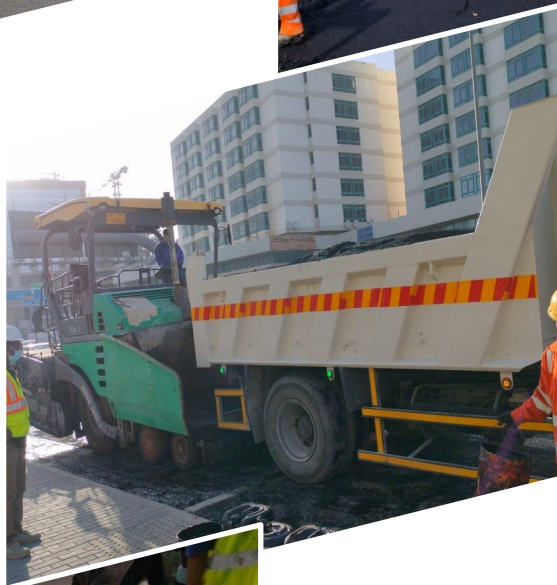

Phase 2 Asphalt Reinstatement – ELSEWEDY AL WADI PROJECT

Scope : Milling, Disposal, Tack coat application, Asphalt Laying & Road Marking
Client : Kahraama
Main Contractor : Doha Intertek
Location : Industrial Area

Phase 2 Asphalt Reinstatement Works

Scope : Milling, Disposal, Tack coat application, Asphalt Laying & Road Marking
Client : Ashghal
Main Contractor : Izzet Projects
Location : Wadi Musheireb

Asphalt Works – GHARAFFA MOSQUE

Scope : Subbase & Asphalt Laying, Road Marking & Wheel Stopper installation
Client : AWQAF
Main Contractor : Dana Al Khaleej
Location : Gharaffa

Construction of Temporary Road

Scope : Levelling, Milling Material Laying to construct a Temporary Road
Client : MILIHA
Location : Industrial Area

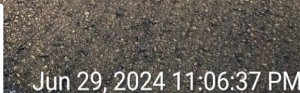

Asphalt Works at QICC

Scope : Milling, Disposal, Tack coat application, Asphalt Laying & Road Marking

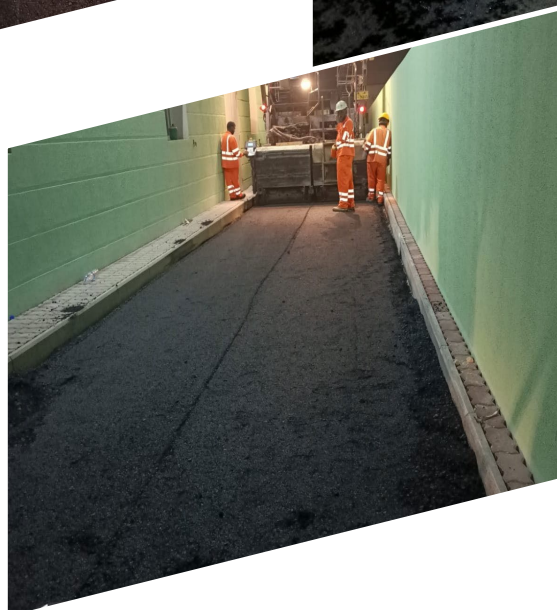

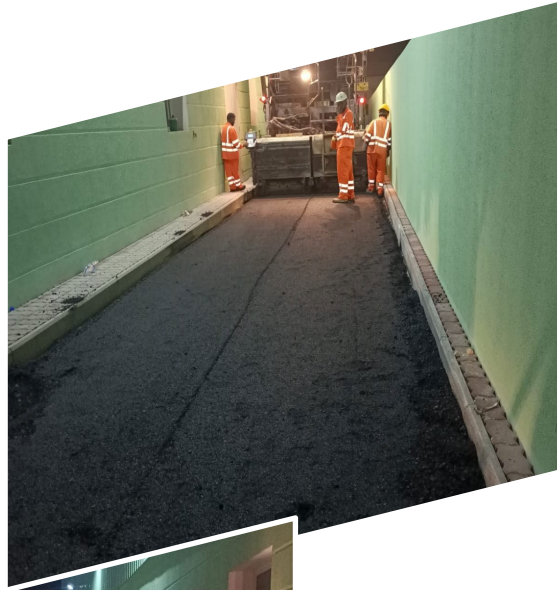

Client : Ashghal

Location : Wadi Musheireb

Asphalt Works at Qatar Plastic Area

Scope : Subbase, Asphalt & Road Marking Works
Client : Private
Location : Industrial Area

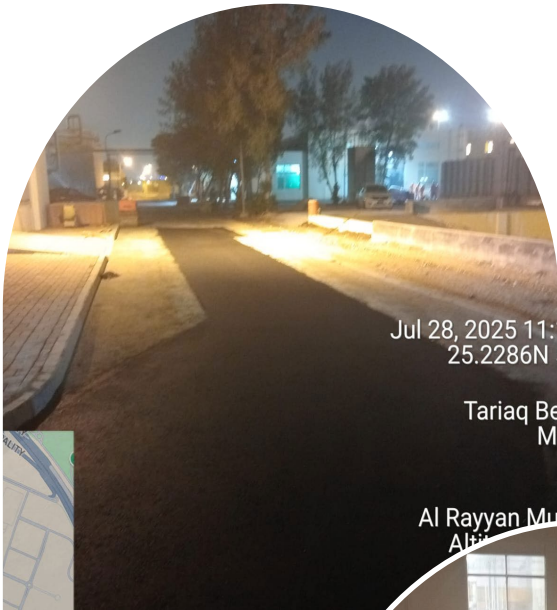

Asphalt Patch Works at Barwa City

Scope : Trenches, Subbase, Asphalt & Road Marking Works

Client : Private

Main Contractor : Waseef

Location : Barwa City

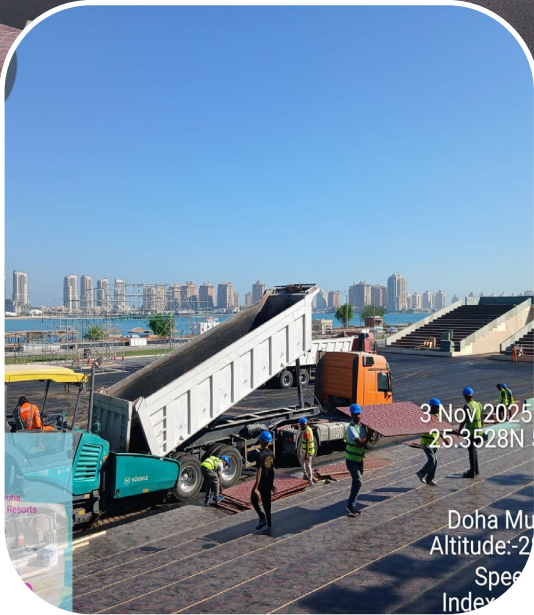

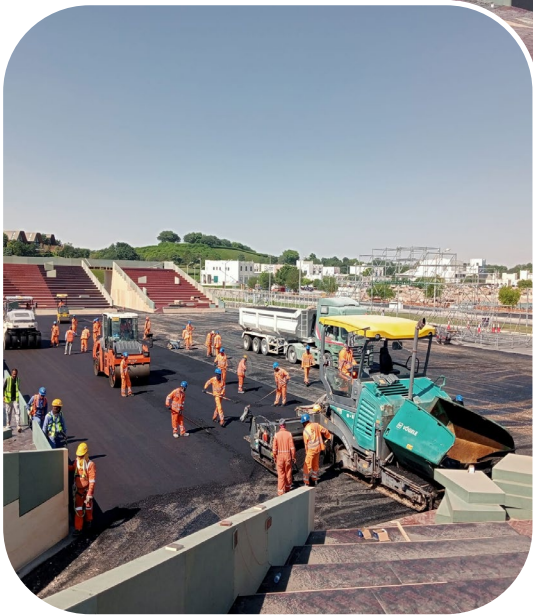

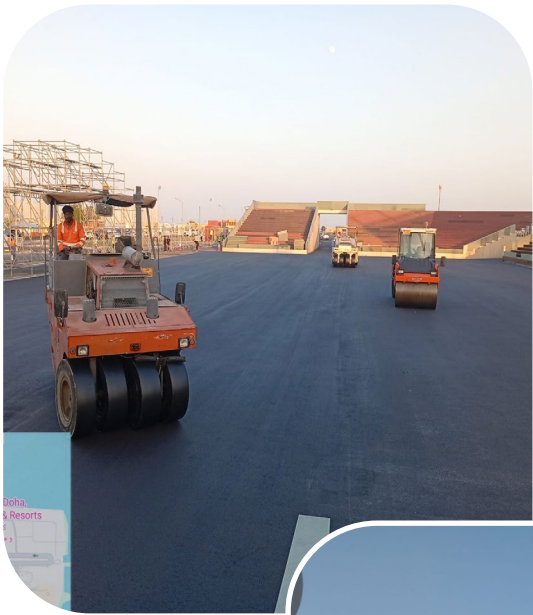

MODIFICATIONS IN FARM – REGIONAL AGRICULTURAL PRODUCTION

Project : Subbase & Asphalt Works
Client : West Field
Location : Umm Salal

ASPHALT REINSTATEMENT IN KATAR

Project : Milling, Asphalt & Road Marking works
Client : Zoom Design
Location : Katara

Project Ref. No. : E-5018-01
Subject : Prequalification Approval Request of Delta Road Trading & Contracting Company
Proposed Material/s : Milling, Asphalt Works and Road Marking Works
Document No. : TDI-PQ-C-00
Date Submitted : 27 January 2026
Date Received : 29 January 2026
Discipline : Civil
Action Code : ☐ A - Approved ☒ B - Approved as Noted
☐ C - Revise & Resubmit ☐ D - Rejected

Comments:

1. The prequalification of Delta Road Trading & Contracting Company as Subcontractor for Milling, Asphalt Works and Road Marking Works is Approved as Noted.
2. The subcontractor to submit asphalt materials (mix design) approval request and Road Markings Materials in full compliance to the requirements of Item 7.11.1-General, 7.11.2-List of Materials, and 7.11.3-Samples under Clause 7.11: Materials Approvals, Part 07: Submittals, Section 01: General of the QCS 2014.
3. Main Contractor to arranged plant trial mix in the presence of QECE Wing-4 and 3rd Party Laboratory representative to witness sampling of all raw materials and relevant test. Main Contractor to submit the Plant Trials Results and Final Approval is subject to satisfactory results.
4. The Main Contractor to ensure that the subcontractor to provide qualified site engineers that will be available at all times during the application of all asphalt and road markings materials and to provide skilled asphalt workers and applicators.
5. Main Contractor shall be held responsible for the full control and performance of the above-mentioned subcontractor. In case that performance level is going to unacceptable level, QECE Wing-4 Office reserves the right to withdraw this approval.
6. All asphalt and road marking works to be carried out in full compliance with approved method of statement, QCS 2014 standards, design drawings and shop drawings.
7. The review of this prequalification does not mean proposed materials are likely accepted, it will be reviewed if in compliance to project specification and QCS 2014, validated with test report from local government accredited test laboratory.
